Fitting telescopic poles and aluminium handles - Suitable for 40x40 cm microfibre dust cloths (see the Touch cloth section)

APPLICATIONS

Hand duster suitable for the cleaning of any kind of surface.
To be used with multipurpose cloths.

FEATURES

- The disposable cloth is used first for manual dusting of accessible areas and then with Flatty hand duster to reach shelves or raised shelves
- The width of the hand duster and its perfect adherence to the surface allow a quick and efficient cleaning in a few simple steps.
- The cloths are rolled up on the hand duster holder and can be fixed thanks to the specific fixing clips
- 360° rotation for a double side cleaning performance, up to 270° inclination to reach any place
- Fitting telescopic poles thanks to its removable grip with hole; adding the end cone art. P179041A it fits also telescopic handles and aluminium handles with 3 holes

MATERIAL

Polypropylene copolymer, polyethylene and aluminium
